Good Love Is on the Way

John Mayer Trio

I'm a lazy lover
Undercover, wasting time
Then one day this summer
I changed my number to cut my lineGood love is on the way
I been lonely but I know I'll be okay
Good love is on the wayThree years broken hearted
Now her ghost is finally gone
Done with broken people
This is me, I'm workin' on, 'cause I knowGood love is on the way
I've been lonely but I know I'll be okay
Good love is on the wayGood to go for wherever I'm needed
Bags are packed and I'm down by the door
You can take all the tricks up my sleeve
I don't need them any moreGood to go for wherever I'm needed
Bags are packed and I'm down by the door
You can have all the tricks up my sleeve
I don't need them any moreGood love is on the way
I've been lonely, lonely, lonely, yeah
Good love is on the way
I've been lonely but I know I'll be okay
Good love is on the way
Good love is on the way
