

# Grow Old With You

## Rusty Clanton

Good afternoon everyone.

We're flying at 26,000 feet, moving  
up to thirty thousand feet, and then we've got clear skies  
all the way to Las Vegas, and right now we're bringin you some in-flight  
entertainment. One of our first-class passengers would like to sing you a song  
inspired by one of our coach passengers, and since we let our first-class  
passengers do pretty much whatever they want, here he is.

I wanna make you smile whenever you're sad  
Carry you around when your arthritis is bad  
All I wanna do is grow old with you

I'll get your medicine when your tummy aches  
Build you a fire if the furnace breaks  
Oh it could be so nice, growing old with you

I'll miss you  
Kiss you  
Give you my coat when you are cold

Need you  
Feed you  
Even let ya hold the remote control

So let me do the dishes in our kitchen sink  
Put you to bed if you've had too much to drink  
I could be the man who grows old with you  
I wanna grow old with you
