Relight the Fire

New Empire

Iâ€™ve lived, Iâ€™ve breathed, Iâ€™ve stalled
Iâ€™m falling on my knees
I fought the cold in capturing the seasons
Iâ€™ve lost between the ember leaves

Iâ€™ved hurt, Iâ€™ve lied, Iâ€™ve cursed
Nothing till I cry the ones we hurt
The most I hold you closest
And I just donâ€™t know why

So can you relight the fire
Relight the fire, relight the fire
Can you relight the fire
Relight the fire, relight the fire

Oohâ€¦ Oohâ€¦

I dream, I run, I wait
Iâ€™m crossing out the days to begin again
Iâ€™ve fallen with a lover
And crashed the other side

Iâ€™m big, Iâ€™m weak, Iâ€™m tall
Iâ€™m learning what it means to fight for a cause
I donâ€™t know who I can be
But I know who I was

So can you relight the fire
Relight the fire, relight the fire
Can you relight the fire
Relight the fire, relight the fire
So can you relight the fire
Relight the fire, relight the fire

Oohâ€¦ Oohâ€¦
Oohâ€¦ Oohâ€¦

So can you relight the fire
Relight the fire, relight the fire
Can you relight the fire

Relight the fire, relight the fire

So can you relight the fire
Relight the fire, relight the fire
So can you relight the fire
Relight the fire, relight the fire
