

# Little Buddy

## Hank Snow

Broken hearted and so sad golden curls all wet with tears  
Twas a picture of sorrow to see  
Kneeling close to the side of his pal and only pride  
A little lad these words he told me He was such a lovely doggie and to me he was such fun  
But today as we played by the way  
A drunken man got mad at him because he barked in joy  
He beat him and he's dying here today Will you call the doctor please and tell him if he comes right now  
He'll save my precious buddy cause I'll pray  
Then he stroked the fluffy head but his little pal was dead  
Just a shiver and he slowly passed away He didn't know his dog had died so I told him as he cried  
Come with me son we'll get that doctor right away  
I can't leave him here alone I must get my doggie home  
So while you're gone sir I'll just kneel beside him here and I'll pray  
But when I returned he had his little pal upon his knee  
And the teardrops they were blinding his big blue eyes  
You're too late sir my doggie's dead and no help can save him now  
But I'll meet my precious buddy up in the sky
