

# Armageddon

## Front Line Assembly

The race for supremacy is starting to be seen  
Global fornication through those evil machines  
Bright polished leather guns held high  
Parade of self illusion there aims are high  
Eins zwei drie wir marchen forbei  
Heads held high as they stare at the sky  
A new total power will foreshadow  
This house as one more country  
Tests its nuclear power  
Severe penetration  
Faceless human, twisted nation , annihilation  
Flying projectile circling in the air  
Clouds of radiation no time for despair  
A new sense of terror attacks our creation  
Final destination western civilization
