Tell Me Why It Ain't Easy

C21

Don't you know that I'm lost
I took it for granted too long
I've been trying now it's gone
How could we live on a lieI can see you wanna be strong
Just let it go
Don't you see somehow we were blindWhen I look in your eyes
I don't know what's right
But all we have is nowTell me why it ain't easy
When you know that I still believe it
Just look around can't you see
We just need to find a way to forgive
So tell me why it ain't easy
When you know
You're the only one who lives in my heart
I don't know if I'm wrong
I've been looking back
Maybe I'm not that strong
Enough to love you like thatI believe somehow in your heart you know
I could never be the one who's letting you go'Cuz when I see you cry
I don't know what's right
But all we have is nowTell me why it ain't easy
When you know that I still believe it
Just look around can't you see
We just need to find a way to forgive
So tell me why it ain't easy
When you know
You're the only one who lives in my heart
Why can't you see it doesn't matter how we get there
We're just a second away from where we wanna be
I still believe that you'll find the answer
Just look around and I know you'll find the wayTell me why it ain't easy
When you know that I still believe it
Just look around can't you see
We just need to find a way to forgive
So tell me why it ain't easy
When you know
You're the only one who lives in my heart
