Why You

Joe Purdy

Why you always being so mean?
Why you always being so mean?
Cause you'd think that you could see
The pain you bring me now
So why you always being so mean?

And why you always running your mouth?
Why you always running your mouth?
If you'd stopped to find it out
You might understand by now
So why you always running your mouth?

And why you always making me cry?
Why you always making me cry?
You look me in the eye
And tell me all your lies
So why you always making me cry?

Yeah, why you always looking so sweet?
Why you always looking so sweet?
You walk into the room
And it brings me to my knees
Yeah, so why you always looking so sweet?

Yeah, why you always making me stay?
Why you always making me stay?
If I only had a brain
I would leave you right away
Yeah, so why you always making me stay?

Oh, why can't I leave you behind?
Why can't I leave you behind?
Cause things would be just fine
If I could get you off my mind
So why you always leaving me behind?
