Magical Boy (feat. Matthew Dear)

DJ Koze

Magical, it's magical
It's magicalMagical, it's magical
It's magicalMagical, it's magical
It's magicalI can't reach you anymore
Not with light or touch
Distant notes beyond the door
Sing them out for me to clutchYour life precedes
Your eyes are wake
Your head and touch
I want to say
Not till it stops
Not till the mad turns green
Not till it rains
Not till the sun has been seen
Not till it stops
Not till you all come back
Not till it stops
Not till it stopsCan we be alone?
Can we be alone?
Can we be alone?Can I run across seas
Till I touch your face
And take you in my arms
And flyCan we
It's a serious world
I'm a magical boy
You can count on me
For escapeCan we
Can weOpen up and explore
Show me what you need
I can count on you
For escapeNot till it stops
Not till it stops
Not till it stops
Not till it stopsI can't reach you anymore
