

A Hard Day's Night

Otis Redding

It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log But when I get home to you
I find the things that you do
Will make me feel all right You know I work all day
To get you money to buy you things
And it's worth it just to hear you say
You're gonna give me everything So why on earth should I moan?
'Cause when I get you alone
You know I feel all right When I'm home
Everything seems to be right
When I'm home
Feeling you holding me tight, tight, yeah It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log But when I get home to you
I find the things that you do
Will make me feel okay, oh! So why on earth should I moan?
'Cause when I get you alone
You know I feel all right When I'm home
Everything seems to be right
When I'm home
Feeling you holding me tight, tight, yeah It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log But when I get home to you
I find the things that you do
Will make me feel all right
You know I feel all right
You know I feel all right
