

Have A Little Faith In Me

Joe Cocker

When the road gets dark
And you can no longer see
Let my love throw a spark
Have a little faith in me
And when the tears you cry
Are all you can believe
Give these loving arms a try baby
Have a little faith in me [Chorus]
Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
When your secret heart
Cannot speak so easily
From a whisper start
To have a little faith in me
And when your back's against the wall
Just turn around and you will see
I will catch your fall
Have a little faith in me [Chorus]
When the road gets dark
And you can no longer see
Let my love throw a spark
Have a little faith in me [Chorus]
I've been loving you for such a long time
Expecting nothing in return
Just for you to have a little faith in me
You know time, time is our friend
I will hold you up, I will hold you up
Your love gives me strength enough
Have a little faith in me
