

Me in You

Kings of Convenience

Crossroads and given the option
To pass and look back at goals I've missed
Rainbows or burning bridges
If you squint a little more it looks the same But ooh
There's a little bit of me inside you
Gathering what you've lost
But ooh
There's a little bit of you in everyone
Can never keep a secret Problem; lines on your face
You smooth them out so no one can tell
put a straight back upon a stage
could (dance dance) hide the tremor in your hand But ooh
There's a little bit of me inside you
Gathering what you've lost
But ooh
There's a little bit of you in everyone And I'm watching you now
I see you building the castle with one hand
while tearing down another with the other And I'm watching you now
I see you building the castle with one hand
while tearing down another with the other And I'm watching you now
I see you building the castle with one hand
while tearing down another with the other
