

# When I Stop Loving You

[Frank Sinatra](#)

When I stop loving you the way I do,  
There'll be no moon to shine, no sky of blue,  
When our two lips no longer cling,  
There'll be no bird to sing, there'll be no spring.

When I stop wanting you, forever more,  
There'll be no ocean wave to kiss the shore.  
This world will crumble, and the skies will fall,  
My heart won't speak at all,  
When I stop loving you.
