Conga

The Eight Group

Come on, shake your body baby, do the conga
I know you can't control yourself any longer
Come on, shake your body baby, do the conga
I know you can't control yourself any longerCome on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'til you tried it, do the conga beatEverybody gather 'round now
Let your body feel the heat
Don't you worry if you can't dance
Let the music move your feetIt's the rhythm of the island
And like sugarcane so sweet
If you want to do the conga
You've got to listen to the beatCome on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'til you tried it, do the conga beatFeel the fire of desire
As you dance the night away
'Cause tonight we're gonna party
'Til we see the break of dayBetter get yourself together
And hold on to what you've got
Once the music hits your system
There's no way you're gonna stopCome on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga
I know you can't control yourself any longer
Feel the rhythm of the music getting stronger
Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga
