

# I Don't Remember

Ciara

What did I say to him last night  
I can't feel face, tryin; to focus but my mind ain't right  
I remember the party, the DJ, my homies, my man and me  
But the rest of it's blurry,  
Something I did made my baby go away

Got the same clothes on today  
That I had on yesterday  
What did I do, what I say  
Man I don't remember  
Guess I had to much to drink  
'Cause I don't remember

Aww, my car ain't outside  
How the hell did I get home  
Damn, did he drive me, drop me off  
Got his stuff and get gone  
Can't call my homies, 'cause I'm lookin'  
And I just can't find my phone  
I need to talk to somebody  
Something I did made my baby go away

Got the same clothes on today  
That I had on yesterday  
What did I do, what I say  
I don't remember  
Guess I had to much to drink  
'Cause I don't remember  
Is he gone forever, man I don't know  
I just don't remember

Oh oh uh  
Wish I could playback, from beginning to the end  
I think we started dancing, I kinda remember a kiss there  
What a cute bartender  
For the Remy, the Hiney, of Coke, and Gin  
'Cause I'm not a drinker  
Caught in the moment, my baby got away

Got the same clothes on today

That I had on yesterday  
What did I do, what I say  
I don't remember  
Guess I had to much to drink  
'Cause I don't remember  
Is he gone forever, man I don't know  
I just don't remember

Ooh baby, so intoxicated, had enough  
Oh, conversations, to much drinking  
Having fun  
What was I thinking  
Just celebrating, Oh  
Please forgive me  
Baby I just don't remember
