# Time

## Milk Inc.

(time time time)
It may be true that it`s worth another try
And then again I often wonder why (why)

There`s no answer there`s no reason left to stay
Is it time? (is it time)
Tell me there`s another way

Refrain (2x):
Time
Take us back in time
Why can`t we rewind and take us back to where we use to be

(time time time)
It may be true that we shouldn`t let this die
and then again I often wonder why (why)

Everyday feels like there`s nothing left to stay
Is it time?
Tell me there`s another way

(time time time)
There`s no answer there`s no reason left to stay
Is it time?
Tell me there`s another way

Refrain (2x):
(time time time)
Time
Take us back in time
Why can`t we rewind and take us back to where we use to be

(time time time)
Time
Take us back in time
Why can`t we rewind and take us back to where we use to be

(time time time)
