Come In Stranger

Johnny Cash

She said come in stranger
It's good to have you home
I hurried through 'cause I knew it was you
When I saw your dog, waggin' his tail
Honey, why didn't you let me know by mail
You've been gone so long
She said come in strangerI know you're weary from all your miles
Just sit right there in your easy chair
And tell me all about the places you've been
How long it'll be before you leave again
I hope it's a long, long while
She said come in strangerEverything 'round home is fine
I've watched and I've waited for you to get back
And I missed you all the timeShe said come in, stranger
Oh how I need you when you're gone
I walk the floor and I watch the door
And when I lie awake and wonder where you can be
I'd give anything to have you here with me
I get so lonesome all alone
She said come in, stranger
