

# Come In Stranger

[Johnny Cash](#)

She said come in stranger  
It's good to have you home  
I hurried through 'cause I knew it was you  
When I saw your dog, waggin' his tail  
Honey, why didn't you let me know by mail  
You've been gone so long  
She said come in stranger I know you're weary from all your miles  
Just sit right there in your easy chair  
And tell me all about the places you've been  
How long it'll be before you leave again  
I hope it's a long, long while  
She said come in stranger Everything 'round home is fine  
I've watched and I've waited for you to get back  
And I missed you all the time She said come in, stranger  
Oh how I need you when you're gone  
I walk the floor and I watch the door  
And when I lie awake and wonder where you can be  
I'd give anything to have you here with me  
I get so lonesome all alone  
She said come in, stranger
