

Monsters (OST Guitar Hero III: Legends of Rock)

Matchbook Romance

Girl, what's come between you and me?

Look right through me

I won't let it go

I can't help this feeling anymore

I will go anywhere

Maybe you'll see We are

We are the shaken (shaken)

We are the monsters (monsters)

Underneath your bed

Yeah

Believe what you read

We are

We are mistaken (staken)

We are the voices (voices)

Inside your head

Yeah

Believe what you see It came as no surprise

You bring me back to life

Believe me

"You bleed for me, I'll bleed for you"

I caught you walking through walls

Drowned with applause

From the world that makes me crazy We are

We are the shaken (shaken)

We are the monsters (monsters)

Underneath your bed

Yeah

Believe what you read

We are

We are mistaken (staken)

We are the voices (voices)

Inside your head

Yeah

Believe what you see

Yeah We are the monsters

We are the monsters

We are the monsters

Underneath your bed

We are the voices

We are the voices
We are the voices
Underneath your bed
We are the monsters
We are the monsters
We are the monsters
Yeah yeah yeah yeah yeah We are
We are the shaken (shaken)
We are the monsters (monsters)
Underneath your bed
Yeah
Believe what you read
We are
We are mistaken (staken)
We are the voices (voices)
Inside your head
Yeah
Believe what you see We are
We are the shaken (shaken)
We are the monsters (monsters)
Underneath your bed
Yeah
Believe what you see
