Critical Mass Lyrics (TEENAGE FANCLUB)TEENAGE FANCLUB - Critical Mass Lyrics

When I touched your skin
I felt your heart beating deep within.
And I was sure
Everything was ?You're in my heart
But it's the feeling that all fell apart.
Think of me; but don't believe that I was wrong. When I switched off my feeling is when I lost control.
Couldn't say what I was needing -
Something I didn't know. I woke up in bed
A cold sweat running down my head.
And I remembered something you had said:
(You Said) "Don't dream too long, 'cause when you wake up
everybody's gone."
Find someone else to sing another song. When I switched off my feelings is when I lost control
Couldn't say what I was needing -
Something I didn't know
When I switched off my feeling is when I lost control
Couldn't say what I was needing -
Something I didn't know
