

# glued to you

## Tomorrows Tulips

Verse 1I am such a mess  
When I met you we had so much sex  
Now, you've got something to do  
Other than just sit in my roomChorusstay glued to you  
    stay glued to you  
    stay glued to you  
ohhh ohhh ohhh x2Verse 2Exaggerating is not my problem  
    We both know that it's obvious  
    I, I could move  
The days, they end so soon (so soon)Chorusstay glued to you  
    stay glued to you  
    stay glued to you  
ooh ooh ooh x4stay glued to you  
    stay glued to you  
    stay glued you
