

Circles

Switchfoot

Another day, another sunrise
Another factory call
Another night, another sunset
Another freefall
In my life
In my own purpose
Within the weakness
Within the weakness
Spinning out in circles
In circles, in circles
Spinning out in circles
In circles, in circles
Another day, another lifetime
Another engine stalls
Another line, another freeway
Another freefall
In my life
In my own purpose

Within the weakness
Within the weakness
Spinning out in circles
In circles, in circles
Spinning out in circles
In circles, in circles
In circles, in circles
I've lost all that I wanted to leave
I've lost all that I wanted to be
Don't believe that there's nothing this true
Don't believe in this modern machine
The modern machine
In circles
Spinning, spinning
In circles, in circles
Spinning out in circles
In circles, in circles
In circles, in circles
