Kill Me (Radio Edit)

Space

Eeeny-Meeny-Miney-Moe
Which way do you think that I should go
Twiddley dee and twiddley dumb
Do you think that I should take my gun
I want you to
Kill me
Kill me kill me
Kill me kill me oh
Won't you
Kill me kill me
Kill me
Kill me
Come on now
Dip dip dip
I'm gonna sink your
Ship
Fee-Fi-Fo
There's something else you should know
I'm gonna be seen
I'm gonna be sure
Someone gave me something
But I want some more
I want you to
Kill me kill me
Kill me kill me oh won't you
Kill me kill me
Kill me kill me
I want you to
Kill me kill me
Kill me kill me oh won't you
Kill me kill me
Kill me kill me
See'mon now
Dip dip dip
I'm gonna sink your
Ship
Fee-Fi-Fo
There's something else you should know
I'm gonna be seen

I'm gonna be sure
Someone gave me something
But I want some more
I want you to
Kill me kill me
Kill me kill me oh won't you
Kill me kill me
Kill me kill me
Why won't you kill me
Why won't you kill me
I want someone to kill me
I need someone to kill me
I want you to
Kill me kill me
Kill me kill me oh won't you
Kill me kill me
Kill me kill me
Good-bye now
