Luv Is A Verb

Dc Talk

(Take this [unverified] for a ride)
Boom! Burn! Bip! Yeah! Pow! Hey, ha ha
Down with the DC Talk, d-d-down with the DC Talk
Are you down with the DC Talk, d-d-down with the DC Talk
Pullin' out my big black book
'Cause when I need a word defined that's where I look
So I move to the L's quick, fast, in a hurry
Threw on my specs, thought my vision was blurry
I looked again but to my dismay
It was black and white with no room for gray
Ya see, a big V stood beyond my word
And yo that's when it hit me, that luv is a verb
Words come easy but don't mean much
When the words they're sayin' we can't put trust in
We're talkin' 'bout love in a different light
And if we all learn to love it would be just right
Hey, tell me, haven't ya heard? Luv is a serious word
Hey, I think it's time ya learned
I don't care what they say, I don't care care what ya heard
The word luv, luv is a verb
Down with the DC Talk, d-d-down with the DC Talk
Are you down with the DC Talk, d-d-down with the DC Talk
Thinkin' of a way to explain-O
'Cause ya' know when I'm flowin' like a bottle of Drain-O
Simple and plain, L O V E, ain't all that junk that ya see on TV
Put soaps on a rope 'cause they ain't worth copin' with
It's a myth that there ain't no hope
And luv is enough if it's unconditionally givin'
Now you're living out the Great Commission
Words come easy but don't mean much
When the words they're sayin' we can't put trust in
We're talkin' 'bout love in a different light
And if we all learn to love it would be just right

Hey, tell me, haven't ya heard? Luv is a serious word
Hey, I think it's time ya learned
I don't care what they say, I don't care care what ya heard
The word luv, luv is a verb
Back in the day, there was a man

Who stepped out of Heaven and he walked the land
He delivered to the people an eternal choice
With a heart full of luv and the truth in His voice
Gave up His life so that we may live
How much more luv could the Son of God give?
Here is the example that we oughta be matchin'
'Cause luv is a word that requires some action
Words come easy but don't mean much
When the words they're sayin' we can't put trust in
We're talkin' 'bout love in a different light
And if we all learn to love it would be just right
Hey, tell me, haven't ya heard? Luv is a serious word
Hey, I think it's time ya learned
I don't care what they say, I don't care care what ya heard
The word luv, luv is a verb
Hey, tell me, haven't ya heard? Luv is a serious word
Hey, I think it's time ya learned
I don't care what they say, I don't care care what ya heard
The word luv, luv is a verb
Hey, tell me, haven't ya heard? Luv is a serious word
Hey, I think it's time ya learned
