What About the Rain

Leo Aberer

Love is like an ocean -
sometimes high sometimes deep.
So now, I feel emotions -
Walking - hardly speak.
And there is no one to lean on -
when there is no one at home.
We couples an day and I feel alone.What about the rain?
What about the sea?
What about the love - deep inside of me.
Youre the only one, who can set me free.
Will you marry me?What about the rain?
What about the sea?
What about the love - deep inside of me.
youre the only one, who can set me free
youre the only one, who can set me free
youre the only one, who can set me free
will you marry me
will you marry meyeah, yeah
will you marry meoh yeah yeah yeahDu bist der hellste Punkt am Horizont.
Du bist der Farbklecks im Grau.
Bist mein Spiegelbild, ich kann mich sehn,
nur deine Augen die sind blau.
Wenn ich dann einschlafe,
bist du mein siebter Sinn.
Wenn ich dich rufe,
kommst du bestimmt.
yeah, yeahWhat about the rain?
What about the sea?
What about the love - deep inside of me.
youre the only one, who can set me free
will you marry meWhat about the rain?
What about the sea?
What about the love - deep inside of me.
youre the only one, who can set me free
youre the only one, who can set me free
youre the only one, who can set me free
so will you marry me
will you marry me
oh lord set us free
