

Helicopter

XTC

Oh heli, oh heli I'm crouching you with a telescope in hand
Looking out across our Lego land
I really think it's about time that she came down She a laughing giggly whirlybird
She got to be obscene to be obheard
I really think it's about time that she came down And I object to all the air male that she pick up
The air male that she pick up
The air male that she pick up When she's up there twirling round
Just like a helicopter, copter
She's landing on the town
It's about time that I stopped her, stopped her
When she's up there twirling round, round, round
Just like a helicopter, copter Oh heli, oh heli Now she's away from convent she's gone wild
She's grown from a nice young lady to a child
I really think it's about time that she came down She's a laughing giggly whirlybird
She got to be obscene to be obheard
I really think it's about time that she came down And I object to all the air male that she pick up
The air male that she pick up
The air male that she pick up When she's up there twirling round
Just like a helicopter, copter
She's landing on the town
It's about time that I stopped her, stopped her
When she's up there twirling round, round, round
Just like a helicopter, copter Oh heli, oh heli Oh heli, oh heli When she's up there twirling round
Just like a helicopter, copter
She's landing on the town
It's about time that I stopped her, stopped her
When she's up there twirling round, round, round
Just like a helicopter, copter Oh heli, oh heli, oh heli When she's up there twirling round
Just like a helicopter, copter
She's landing on the town, look out town
It's about time that I stopped her, stopped her
When she's up there twirling round, round, round Oh heli, oh heli
