

How Can You Do What You Do

Mr. Big

You can knock me out
I've been down for the ten-count before
Better give it up
Don't have to show me I've had enough I've seen the way
You've been stealin' with those eyes
You're high-heeled trouble
You're dangerous with a criminal mind How can you do what you do
What you've done to me
Take the pain and the pleasure
Turn it around on me How can you do what you do
Is what I don't believe, yeah Break down the walls
Live and learn from a hurricane
You just can't come and go
Another hit on the hurt parade You think I love it
When you're tearin' me apart
Don't you see
You're playin' games with my heart How can you do what you do
What you've done to me
Take the pain and the pleasure
Turn it around on me How can you do what you do
Is what I don't believe What went wrong?
Who's to blame?
Tell me now
You're never gonna change I've seen the way
You've been stealin' with those eyes
You're high-heeled trouble
You're dangerous with a criminal mind How can you do what you do
What you've done to me
You take the pain and the pleasure
Turn it around on me How can you do what you do
Is what I don't believe How can you do what you do
How can you do what you do
How can you do what you do
How can you do what you do
