How Can You Do What You Do

Mr. Big

You can knock me out
I've been down for the ten-count before
Better give it up

Don't have to show me I've had enoughI've seen the way You've been stealin' with those eyes

You're high-heeled trouble

You're dangerous with a criminal mindHow can you do what you do

What you've done to me

Take the pain and the pleasure

Turn it around on meHow can you do what you do

Is what I don't believe, yeahBreak down the walls

Live and learn from a hurricane

You just can't come and go

Another hit on the hurt paradeYou think I love it

When you're tearin' me apart

Don't you see

You're playin' games with my heartHow can you do what you do

What you've done to me

Take the pain and the pleasure

Turn it around on meHow can you do what you do Is what I don't believeWhat went wrong?

Who's to blame?

Tell me now

You're never gonna changeI've seen the way

You've been stealin' with those eyes

You're high-heeled trouble

You're dangerous with a criminal mindHow can you do what you do

What you've done to me

You take the pain and the pleasure

Turn it around on meHow can you do what you do

Is what I don't believeHow can you do what you do

How can you do what you do

How can you do what you do

How can you do what you do
