One Way

Sector Seven

[G-Dep Talking] Come here man, You lookin for beef [smacking sound] Get the fuck over, yea You thought I wasn't, yea hehehehe Yea look at me, look at me nigga Come here, know one thing nigga [Verse 1: G-Dep] I think you need to know I'm holdin it down Wit a hole in this town It's a hole in da ground, where I stomp Got these niggaz steady on the watch Nigga you can run you can hide Like it's Teddy on da block If your ready or your not here I come You can dip you can slide You can duck you can ride you can flee I give a nigga, one test now it's one less That's how easily you can be eliminated Program to scan rock jams Get down from where I stand to Scotland Dustin like Hothman If that'll stop what you got planned the shot's ? Ask your man, ask your girl, ask your crew I'm hittin high, I'm hittin low what a nigga have to do Had to laugh at the aftermath now I'm after you and You want drama I'm a have to act a fool [Chorus: G-Dep] One way or another I'm a find ya And I'm a getch ya, getch ya, getch ya, getch ya I'm gonna getch ya, getch ya unngghh One day maybe next week, I'm gonna find ya [Verse 2: Black Rob] Cowardest cats, names don't ring no bell Been grabbin niggaz up by they coat ? Coke rhyme but It's dope as hell Nigga four tooth the ? Still had to broke in jail Had me thinkin under pressure that this kid won't fold When the feds came in extremely vocal, aint stutta Wit a parole hold just the systems so cold Shoutin out my ? name and my social Wasn't to hard to find I stay local See I'm a do what I'm supposed to If I would of known you was sinkin I would of bin by coastals Even if I gotta dress up and knock on your door like I'm the postal Your ass is grass and that's that Better strap up your vest and that's that Come through wit ski masks and black ? With the boomshack with the crack crack fuckin rat nigga [Chorus: G-Dep] [Verse 3: G-Dep] Just when you thought it was over But that aint the code of a soldier look over your shoulder Came through low in the rover knowin ya nova Trouble was seen then see trouble was me Double your speed, punch through metal fa sure I got the metal in store, whatch you medallin for I used to boost pedals ? NowI'm ? vocal peddal the four let this settle the score Won't have to rest to switch hands and Now check it It a happened all too fast to ? fans Six mill-e-on ree-sons you should switch plans Like a wind brass, shoot glass, shit sand But, this is why I direct the shit and Thinking it would all sink in like quicksand Cut now it's done, what now it's won Like the Wild Wild West it's Dep and ? [Chorus: G-Dep] One way G-Dep singing the chorus in parts I'm a find ya Getch ya, one day But I'm a find ya One Way Unngghh One day I'm a find ya and I'm a getch ya, getch ya, getch ya, getch ya But I'm a find ya And I'm a getch ya, getch ya unngghh
