Dancin'

Guy

G U Y, can I have this dance? Yeah
I know you've never dance with a man like me before, yeah
An' when you'll dance with me, you'll never want to dance no more
Let me show youI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me
So I slowly move closer, let her know that I want herLooking in your eyes
As we start to dance the night away
I can feel your heart
As you're pushing your body close to mine, yeahTo the beat, to the drum to the music till we're one
An' don't you worry about the crowd 'cause there's no one else around
I can freak it if you like, I can make you feel all right
I can serve it to you right 'cause I'd like to explore your body tonightI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me
So I slowly move closer, let her know that I want herBaby, take my hand
And let me guide you to this dance of love
We'll be moving so close
Almost like we're making love
Baby, bring your body and let it bounce with meTo the beat, to the drum to the music till we're one
Don't you worry about the crowd 'cause there's no one else around
I can freak it if you like, I can make you feel all right
I can serve it to you right 'cause I'd like to explore your body tonightI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me
So I slowly move closer, let her know that I want herI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me
So I slowly move closer, let her know that I want herDo you wanna dance with me?
Do you wanna dance with me?
I want you to, I want you
And you know that I doDo you wanna dance with me? yeah
Do you wanna dance with me? yeah, yeah, yeah
I want you to, I want you, I doI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me
So I slowly move closer, let her know that I want herI like to think that I'm the only one she sees
When we're dancing, when we're out on the floor
An' I like to think that she'll be coming home with me

So I slowly move closer, let her know that I want herCan I dance, can I dance, can I dance with you?
Can I dance, can I dance, can I dance with you?
Can I dance, can I dance, can I dance with you?
So I slowly move closer, and I know that I want her
