A Woman In Love

Ronnie Milsap

v1: No matter what you do or say
She's always got to have her way
she'll bring you down just to cheer you up
You never know what a woman in love(instrumental)V2: The minute you start holding on
She'll turn around and she'll be gone
This is very unpredictable stuff
You never know what a woman in loveChorus: She's a lady, She's a child
She'll make you crazy, she'll drive you wild
do you give in or do you just give up
You never know what a woman in love(instrumental)Bridge: Just when you think
You got it all together
And if you blink, She'll change just like the weather
ooh ooh ooh oohNo matter what to do or say
She's always got to have her way
This is ver unpredictable stuff
Oh you never know What a woman in loveChorus: She's a lady, she's a child
She'll make you crazy, She'll drive you wild
Do you give in or or do you just give up
You never know what a woman in love

You never know what a woman in love
You never know what woman, ooh ooh woman in love
