

# A Woman In Love

[Ronnie Milsap](#)

v1: No matter what you do or say  
She's always got to have her way  
she'll bring you down just to cheer you up  
You never know what a woman in love(instrumental)V2: The minute you start holding on  
She'll turn around and she'll be gone  
This is very unpredictable stuff  
You never know what a woman in loveChorus: She's a lady, She's a child  
She'll make you crazy, she'll drive you wild  
do you give in or do you just give up  
You never know what a woman in love(instrumental)Bridge: Just when you think  
You got it all together
