

4:AM Forever

Lostprophets

Yesterday I lost my closest friend
Yesterday I wanted time to end
I wonder if my heart will ever mend
I just let you slip away
4 A-M forever Maybe I'll never see you smile again
Maybe we thought that it was all pretend
All these words that I could never send
I just let them slip away
4 AM forever Why don't you hear me when I'm calling out to you (to you)
Why don't you listen when I try to make it through (to you)
Goodbye, goodbye, goodbye, you'll never know
Hold a little tighter
4 A-M forever Maybe one day when I can move along
Maybe someday when you can hear this song
You won't let it slip away
4 AM forever And I wish the sun would never come
It's 4 A-M and you are done
I hope you know you're letting go
It's 4 A-M and I'm alone Why don't you hear me when I'm calling out to you (to you)
Why don't you listen when I try to make it through (to you)
Goodbye, goodbye, goodbye, you'll never know
Hold a little tighter Why don't you hear me when I'm calling out to you (to you)
Why don't you listen when I try to make it through (to you)
Goodbye, goodbye, goodbye, you'll never know
Hold a little tighter
4 A-M forever
