Crazy

Alexandra Stan

1 is for power
2 is for energy
3 is for droid
Pull a little bit of energy
Yeah, you know you turn me on i think i'll go crazy
Fill me up with your energy
Yeah, you know you turn me on i think i'll go crazy
You know It feel so good
When you make me lose controle
And I think, I think I'm about to
Yeah, I'm about to dance
I know you give me the power
So I don`t wanna waste my time
And I said, I said I`m about to
Yeah, I'm about to dance
Pull a little bit of energy
Yeah, you know you turn me on i think i'll go crazy
Fill me up with your energy
Yeah, you know you turn me on i think i'll go crazy
Pull a little bit of energy
Yeah, you know you turn me on i think i'll go crazy
Fill me up with your energy
