Juicy J the millionaire (mhmm)
She pop that pussy on me
I fell back in the chair
Bands a make her dance
Molly make her lose them underwear
Booty cheeks
I'm geeked, (you know it)
All her friends are freaks (you know it)

Need a super freak like Ricky
I'm Rick James bitch
I slip myself a mickey
Got so much money in my pocket
With a real bad chick from the tropics
With silicone racks with a real big ass
Make her bounce it like hydraulics
Kevin Hart, I got purple on the plane (we smoking)

Let's run a train (trippy)
