

Beat and the Pulse (Steffi Bass-Break Dub Remix)

Austra

Hundred angles lost
Fleeing from the beat and the pulse
Laughing like a fool
Playing for the heart and the soul
And the soul Capture something red
Paste it to the edge of your bed
Someone will be there
Someone who will know what it says
What it says Feel it break
Feel it break
Nothing's a mistake, or you
Feel it break Elevate your fingers
Motion makes it hard to write
Still, words are abrasive
Yours are making me feel right?
Feel right
