Save Me

Bo Bruce

I think of you and all you've done
Tell me do you see me or have I gone?
While the whitest eyes are wasting tears
Have you just left me here?

I need to rush, the timing's wrong
But in another year, I could be gone
In another time, in another place
Would I even wake?

You told me to let go
And I had my eyes closed
Why would you wake me
If you're not gonna save me?

You make me want you
And I didn't want to
Why would you wake me
If you're not gonna save me?

I didn't know what you've become
I never thought that I'd see you run
Should have let me sleep
No you didn't need to be waking me

It's chemical, you were never mine
When I needed you, couldn't even fight
In another time, in another place
Would I even wake?

You told me to let go
And I had my eyes closed
Why would you wake me
If you're not gonna save me?

You make me want you
And I didn't want to
Why would you wake me
If you're not gonna save me?

Oh, so just talk to me, talk to me
Oh, the things I hope are never meant to be
Talk to me
Please don't go

You told me to let go
And I had my eyes closed
Why would you wake me
If you're not gonna save me?

You make me want you
And I didn't want to
Why would you wake me
If you're not gonna save me?

You were never ready to save me
