These Days (Piccadilly Radio Session)

Joy Division

Morning seems strange, almost out of place
Searched hard for you and your special ways
These days
These daysSpent all my time, learnt a killer's art
Took threats and abuse 'till I'd learned the part
Can you stay
For these days?These days
These daysUsed outward deception to get away
Broken-heart romance to make it payThese days
These daysWe'll drift through it all, it's the modern age
Take care of it all now these debts are paid
Can you stay
For these days?
