

# One Love (Un Amore) [Sicilians Mix]

## The Sicilians

Close your eyes  
Can you hear the music  
in your mind,  
makes you feel like dancing  
come on everybody get up.

Close your eyes  
Can you feel the rythmn  
deep inside,  
lets just keep on dancing  
come on everybody get up.

Come on everybody get up. (3x)

Get up (15x).

Close your eyes  
Can you hear the music  
in your mind,  
makes you feel like dancing  
come on everybody get up.

Close your eyes  
Can you feel the rythmn  
deep inside,  
lets just keep on dancing  
come on everybody get up.

Come on everybody get up. (3x)

come on everybody get up.
