

Beyond the Unholy Grave (Death by Metal demo)

Death

Messenger of evil
Haunting your soul
Laying in peace
Taking my corpseDemeaning it was hell
Graveyard of death
Trying to resist it
Slow unholy breathBeyond the unholy grave
Beyond the unholy grave
Beyond the unholy grave
Screaming in silence
Within mystery
Inside is spilled
With your BrainDemeaning it was hell
Graveyard of death
Trying to resist it
Slow unholy breath
Beyond the unholy grave
Beyond the unholy grave
Beyond the unholy graveBeyond the unholy grave
Beyond the unholy grave
Beyond the unholy grave.
