

More Where That Came From

Dolly Parton

I've been through hell and half of louisiana
Lookin' for a man like you
I know you could have any woman you want
And I know you've had a few
I know I've got some stiff competition
They ain't got nothin' on me
'cause I've got something that you've been missin'
I practice what I preach
Chorus:'cause I wanna be your lover
I wanna be your friend
And I wanna be your full-time woman
Closer than your kin
I wanna be your satisfaction
Be your number one
And just when you think I can't love you any better
Well, I have just begun
'cause there's more where that came from
There's more where that came from And I want your clothes in my closet
My name on your mail
And I want my love to be your faucet
Drinkin' from an endless well
I want your kids to call me mama
I want you to call me hun
I wanna be the one you love and honor
When it's all been said and done Chorus:'cause I wanna be your lover
I wanna be your friend
And I wanna be your full-time woman
Closer than your kin
I wanna be your satisfaction
Be your number one
And just when you think I can't love you any better
Well, I have just begun
'cause there's more where that came from
That's right, there's more where that came from 2nd chorus: Oh, I wanna be your lover
I wanna be your friend
I wanna be your full-time woman
I'm gonna get under your skin
'cause I wanna be your satisfaction
Be your number one

And just when you think I can't love you any better
Well, I have just begun
There's more where that came from
That's right, there's more where that came from Tag: Yes, I wanna be your full-time woman
I wanna be that, I wanna be that
Oh, I wanna be your lover, lover, lover
I wanna be that, I wanna be that
And I wanna be your satisfaction
I wanna be that, I wanna be that
