

# Glass House

## Red

We deceive the world with lies we hide  
Behind the smiles we can see the home of desperate hearts  
The truth is falling down  
The illusion weâ€™ve become  
A fear we canâ€™t outrun  
Weâ€™re closing in our emptiness  
Weâ€™re broken

You alone  
You can see right through this glass house we call home  
You alone  
You can take away the pain  
Yeah, you have shown  
You can break right through this glass house of our souls  
Make us whole again  
Make us whole

We fight to cover up the scars  
From our charade thereâ€™s a war between who we are  
Until we make believe  
Itâ€™s over now  
Weâ€™re falling

You alone  
You can see right through this glass house we call home  
You alone  
You can take away the pain  
Yeah, you have shown  
You can break right through this glass house of our souls  
Make us whole again  
Make us whole

Iâ€™m running to escape the walls that trapped this heart in  
The door is open, please come save me  
Never want to hide behind the scars that Iâ€™ve become  
That Iâ€™ve become

You alone  
You can see right through this glass house we call home  
You alone

You can take away the pain  
Yeah, you have shown  
You can break right through this glass house of our souls  
Make us whole again  
Make us whole

Make us whole again
