Paris

Kate Nash

You've come so far, well done, darling
We knew that you had it in you
You can do anything that you want
World is an oyster, don't disappoint us, ta
Now you can stand on your own two feet
You can lead me through the streets
Pave the way, yeah we can dream dreams
No one else can see what you make me see
Still climbing trees, tripping up over fallen leaves
But holding hands
No one else could ever understand
What it's like between us, and that's between us
Well done, my love
You'll never listen to me
No, you'll never listen to me
You'll never listen to me
No, you'll never listen to me
You'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
I don't know, there is something about you
Would you like to spend time with me?
You said you'd lend me anything
I think I'll have your company
You said you'd lend me anything
I think I'll have your company
You'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
You'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
You said you'd lend me anything
I think I'll have your company
You said you'd lend me anything
I think I'll have your company

I think I'll have your company
You'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
No, you'll never listen to me
You'll never listen to me
No, you'll never listen to me
You'll never listen to me
No, you'll never listen to me
