

Turn Of The Century

Steve Howe & Annie Haslam

Everything's happening
At the turn of the century
I'm gonna buy myself a time machine
 Go to the turn of the century
 And all those people passing by
 And the town crier makes his cry
 At the turn of the century
 Turn of the century
 Big wide hats and men is spats
 At the turn of the century
 With those horseless carriages
 At the turn of the century
 And there are lots of things to do
 On a bicycle built for two
 At the turn of the century
 Turn of the century
 Everything's happening
 At the turn of the century
I'm gonna buy myself a time machine
 Go to the turn of the century
 And all those people passing by
 And the town crier makes his cry
 At the turn of the century
Turn of the century, turn of the century
