I'm Coming Out

Chic

I'm coming out, I'm coming
I'm coming outI'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it showI'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it showThere's a new me coming out, I just have to live
And I wanna give, I'm completely positive
I think this time around, I am gonna do it
Like you never knew it, oh, I'll make it throughThe time has come for me to break out of the shell
I have to shout, "I am coming out"I'm coming out, I want the world to know
I got to let it show
I'm coming out, I want the world to know
I got to let it showI'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it showI've got to show the world all that I wanna be
And all my abillities, there's so much more to me
Somehow, I have to make them just understand
I've got it well in hand and, oh, how I've plannedI'm spreading love, there is no need to fear
And I just feel so good everytime I hearI'm coming out, I want the world to know
Got to let it show, yes
I'm coming out, I want the world to know
Got to let it showI'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it showI'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it showI'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it showI'm coming out, I want the world to know
Got to let it show
I'm coming out, I want the world to know
Got to let it showI'm coming, I want the world to know
I got to let it show, I'm coming out
