Help Me

[Joan Osborne](#)

Advisory - the following lyrics contain explicit language:

You gotta help me baby, I can't do it all by myself
You gotta help me baby, I can't do it all by myself
If you don't help me Daddy, gotta find somebody elsePut on your nightshirt baby, hand me my morning gown
Put on your nightshirt baby, hand me my morning gown
Don't feel sleepy, I just feel like lyin' downGotta help me baby, help me baby, can't do it all by myself
Don't help me Daddy, gotta find somebody else
Ooh, be quiet, be quiet, be quiet, be quietYou gotta help me baby, gotta help me baby
Help me baby, help me babyJust want a little lovin' before you pass away
Just want a little lovin' before you pass away
Don't help me Daddy, I'm gonna find somebody else
