Crush (Official Audio)

Swim Deep

Tell me what I feel
Tell me what I need
And take me some place I won't wanna leave
Take my breath and make me crush
Talk it slow so I won't rush
Take me some place I won't wanna leaveI just wanted to say
Obviously I want to feel
Something I can't heal
Obviously I can't deal
Something I want, some thing I wanna feel
I wanna crush
I wanna crush
Give me something to taste
Something I can't waste
Take my eyes and follow them somewhere great
Take my breath and make me crush
Talk it slow so I won't rush
Take my eyes and follow them somewhere great
I just wanted to say
Obviously I want to feel
Something I can't heal
Obviously I can't deal
Something I want, some thing I wanna feel
I wanna crush
I wanna crush
