Don't Look At Me (Performance Track In Key of G)

Stacie Orrico

I'll lead youDon't look at me if you're looking for perfection
Don't look at me, I will only let you down
I'll do my best to point you in the right direction
But don't look at me, no, no, no
Don't look at me, look at HimSometimes I have a fear that you will see a mirror
And get the thought that it's the main attraction
But all that you detect is just what I reflect
Of the object of my own affectionI'll lead you to the One I found
He'll give you everything you needDon't look at me if you're looking for perfection
Don't look at me, I will only let you down
I'll do my best to point you in the right direction
But don't look at me, no, no, no
Don't look at me, look at HimIt's understandable to want a hero
But people can't meet all your expectations
Still some can teach you things about the love He brings
Just know the source of life is in the SaviorI'll lead you to the One I found
He'll give you everything you needDon't look at me if you're looking for perfection
Don't look at me I will only let you down
I'll do my best to point you in the right direction
But don't look at me, no, no, no
Don't look at me, look at HimHe's the One who lived a perfect life
He's the One who always gets it right
He's the One and only guiding light, ohh yeahHe is everything you want to be
He's the answer to your every need
If you follow Him then you will see He's like no other, ohh yeahOoh yeahI'll do my best to point you in the right direction
But don't look at me, no, no, no
Don't look at me, oh, don't look at me
I'll only let you downI'll do my best to point you in the right direction
But don't look at me, no, no, no
Don't look at me, look at Him
