

If I Had Eyes (Live in Honolulu, HI)

Jack Johnson

If I had eyes in the back of my head
I would have told you that you looked good as I walked away
And if you could've tried to trust the hand that fed
You would've never been hungry,
but you'd never really be
The more of this or less of this or is there any difference
or are we just holding onto the things we don't have anymore
Sometimes time doesn't heal
No not at all
It just stands still
While we fall
In or out of love again I doubt I'm gonna win you back
When you've got eyes like that
They won't let me in
Always looking out
A lot of people spend their time just floating
We were victims together but lonely
You've got hungry eyes that just can't look forward
Can't give them enough but we just can't start over
Building with bent nails we're
falling but holding
I don't wanna take up any more of your time
Time time time
Sometimes time doesn't heal
No not at all
It just stands still
While we fall
In or out of love again I doubt I'm gonna win you back
When you've got eyes like that
They won't let me in
Always looking out
Always lookin'
