Turning into Betty

Lisa Germano

Oh my, my
Turning into betty
Oh my
Turning into bettySweet, sad little baby
Oh, sad little girl
Always sad little sugar
Sweet, crying girlOh my, my
Better now than never
Oh my
Better now than never cryMy little honey
Oh, sad little girl
Always is my little honey
Sweet, crying girlOh my, my
Giving into beauty
Oh my
Giving into beautyOh my, my
Turning into betty
Turning into betty
