

Orange Colored Sky

Michael Bublé©

I was walking along minding my business
when love came and hit me in the eye
now out of the blue my dreams come true
when they ask I'll tell them why

I was walking along minding my business
when out of an orange colored sky

Flash,bang,alakazam
wonderful you came by

I was humming a tune
drinking in sunshine
when out of an orange colored view

Wham,baam,alakazam
I got a look at you
One look and I yell timber

watch out for flying glass
Cauz the ceiling fell in and the bottom fell out
I went into a spin and i started to shout
I've been hit,this is it,this is it

I was walking along minding my business
when love came and hit me in the eye

Flash,baam,alakazam
out of an orange colored sky
One look and i yell timber

watch out for flying glass
Cauz the ceiling fell in and the bottom fell out
I went into a spin and i started to shout
this is it,this is it,I've been hit
